Place of search	Date of completion of the search	Examiner																	
THE HAGUE	25 June 2001	Cremer, J																	
X : particularly relevant if taken alone	T : theory or principle underlying the invention																		
Y : particularly relevant if combined with another document of the same category	E : earlier patent document, but published on, or after the filing date																		
A : technological background	D : document cited in the application																		
O : non-written disclosure	L : document cited for other reasons																		
P : intermediate document	R : member of the same patent family, corresponding document																		

ANNEX TO THE EUROPEAN SEARCH REPORT  
ON EUROPEAN PATENT APPLICATION NO.

EP 99 30 2944

This annex lists the patent family members relating to the patent documents cited in the above-mentioned European search report.  
The members are as contained in the European Patent Office EDP file on  
The European Patent Office is in no way liable for these particulars which are merely given for the purpose of information.
